The Greatest Commandment

Jesus was talking and debating with some religious leaders. A teacher of the law heard Jesus give them a good answer, and he asked a question himself. What was the question?

Create your own code: Write the alphabet. Then number the letters. A=1, B=2 and so on.

“
15 6 1 12 12

20 8 5

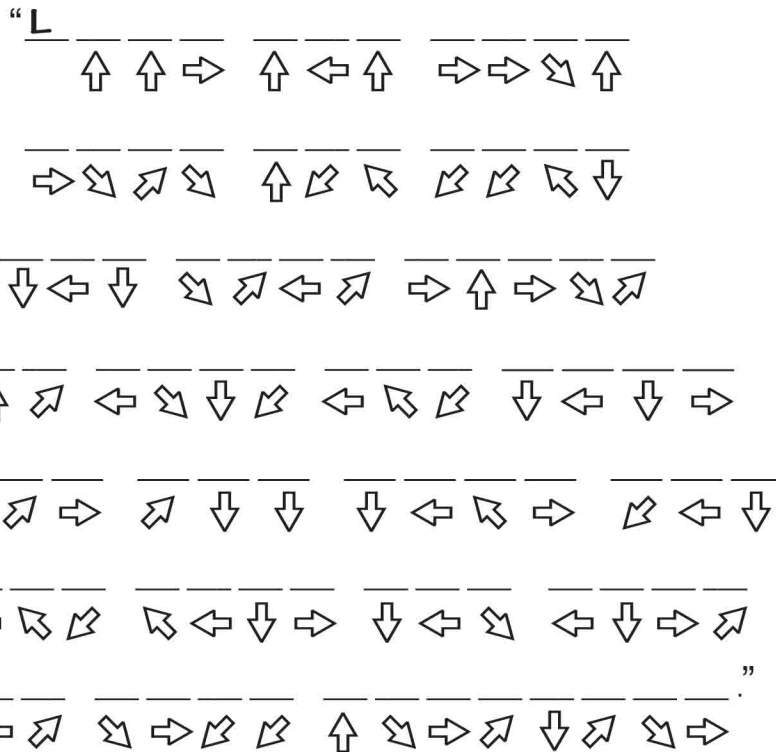

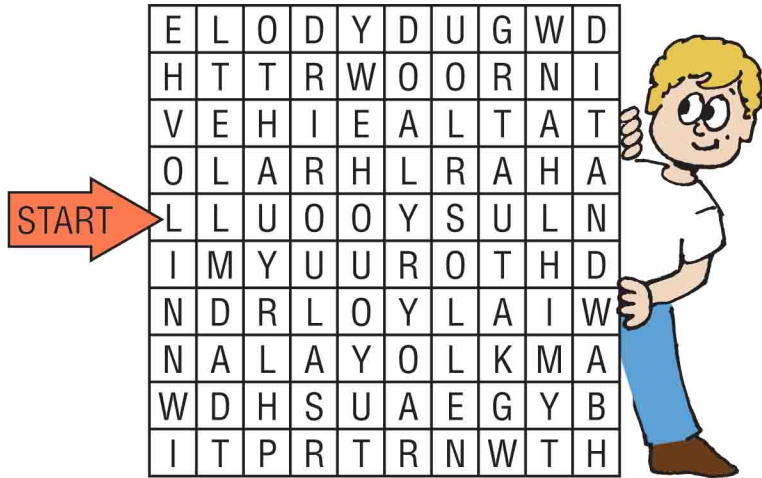

3 15 13 13 1 14 4 13 5 14 20 19’

23 8 9 3 8 9 19

20 8 5 13 15 19 20

9 13 16 15 18 20 1 14 20
?”

The words of the Great Commandment are hidden below. Follow the arrows from letter to letter. Fill in the blanks as you go.

Use the code to find the 2nd greatest commandment.

CODE:

A = ♥	F = ♠	I = ♣	O = ♠	U = ♥
B = ♥	G = ♡	L = ♠	S = ♢	V = ♠
