

## **John Seargeant,**

Director of Youth Ministry,

[UMYF@wumcmd.org](mailto:UMYF@wumcmd.org)

John served in the U.S. Navy. He met his wife while in service to our country (also a Navy veteran) and they settled in her hometown of Westminster.

They were both baptized (three decades apart) and married at WUMC, and their family has been active at this church for generations. John has been working with the youth of our congregation since 2009.

The Seargeants reside close to McDaniel College and enjoy family time with music festivals, concerts, hiking, and traveling.
