

Sherri Haines,
Administrative Assistant
<mailto:s.haines@wumcmd.org>

Sherri joined our staff in October 2011, as our Administrative Assistant. She comes to us with an expansive background, drawing on her experience with multi-media presentation and church publishing. She began her administrative career at Carroll Hospital Center (formerly CCGH), transitioning to Multi-Media Specialist and Executive Administrator at a Baltimore-Washington area food broker. Sherri chose to work from home while her children were small, returning to the workforce as Pastor's Assistant at St. Ben's Lutheran before joining our team at WUMC. She keeps her skills fresh and is proficient in the full Microsoft Office Suite as well as web-based programs and online media.

A life-long member of St. Benjamin's Lutheran Church, Sherri and her family reside near Frizzellburg.

Sherri enjoys spending time with her family, researching history and genealogy, and restoring her family's farmhouse. Most weekends Sherri and husband, Kevin, may be found on area sports fields cheering on their children and grandchildren. In her free time, Sherri likes to join Kevin for a motorcycle ride through our beautiful county.

Call our office for a friendly hello, or drop her an email for more information about WUMC.
